

## Team Fusion News

February 11, 2011

### Announcements

Please read over this newsletter, sign the attached portion and return it to school with your child (if you received a hardcopy), or **email me a reply if you received an electronic version.** Thanks!!

#### Trimester 2 Book Project: *Travel Brochure*

Remember this project is due in 7 days, on FRIDAY, February 18!! Outline on our website.

#### Valentine's Day

We are not having an official Valentine's Day celebration. Students are welcome to exchange cards with classmates during snack time on Monday. If they choose to hand out cards, please make sure to include one for the entire class. Student names are listed below.

Abi	Lena	Taylor	Jacob
Evan	William	Shawna	Jack
Charlie	Chelsea	Lukas	Fionn
Maggie	Jordan	Shawn	Olivia
Jackson	Marco	Dezirae	Ryan
Mason			

We will spend some time on Monday to create a Kindness wall in honor of Random Acts of Kindness Week, sponsored by the Random Raiders (a group of 8<sup>th</sup> graders). Our wall will be judged in a contest. Wish us luck!

The Random Raiders have also asked us to show some BRMS spirit next week by wearing the following colors on the following days:

Monday--wear **RED**  
Tuesday--**ORANGE**  
Wednesday--**YELLOW**  
Thursday--**GREEN**  
Friday--**BLUE**

#### Sledding Field Trip

Team Fusion will be heading to Mills Riverside Park on Tuesday, February 15 from 9 to 11:15. All the necessary information was sent home with students on a bright pink permission slip form. Please send these slips back to school on MONDAY! Thanks.

#### Skills Packets Due 2/18

Students received a skills packet LAST Friday that will be due on 2/18. They should be fixing errors on a previous assignment as well as doing some new language sheets. Math games were also sent home and should be played at least twice. Please don't forget to initial the game sheet that I sent home in kids' packets. You will also see that I have asked kids to work on their Math Facts In A Flash. There are multiple ways to access this program through our school website. The easiest is to click on the pyramid on the bottom left corner of the BRMS homepage. Students have their user names and the password is abc. If you cannot access this program from home, students have been asked to play additional Decimals In Between or Smaller to Larger games.

**Have a great weekend!**
